Dear Sir:-

It is customary in many organizations to elect and install officers about this time of the year.

It is no longer considered a reflection against a man's integrity, to request him to furnish a bond. In fact, it is an honor because a man must bear a good reputation and past, in order to get a bond.

The American Surety Company of New York specializes in the furnishing of such bonds, and shall be pleased to serve you. If you will be good enough to let me know the amount of bond required of your present officers or employees, I will be glad on receipt of your advice, to submit for your consideration a proposition which I am quite sure will appeal to you.

Hoping to share in your business, I am,

Yours truly,

M. P. Coughlin

Mr. Sydney P. Moe, Secretary,
American Numismatic Society,
B'way between 155th & 156th St.,
New York, N. Y.

Dear Mr. Moe:-

Thank you for your letter of the 9th advising
that the present bonding arrangements of your Society are
well taken care of.

We should like very much to be considered when
your bonds are again up for renewal, and would appreciate
your advising me the amount of the bonds, expiration date,
and the name of the carrying company. With the information
at hand, we will be in a position to submit a proposition
which may be more attractive than your present arrangement.

Thanking you in advance for your kindness, I am,

Yours truly,

M. P. Connelin
